IN MEMORIAM

THOMAS PAUL GRUENBERG

Born November 4, 1960
Passed away November 15, 1975

For those of you who knew Tom well, he was an achiever, a superb horseman: an all-round great guy. He had a smile that said, "I'm your friend."

For those of you who didn't know him, you missed a moment in your life, for he is all these things; and deserved only the best. He found the meaning he was searching for and his life goes on . . . in Heaven.

I've Been Searching So Long . . .

As my life goes on I believe,
Somehow some things change.
Something deep inside,
 a part of me,
There's a strange new light in my eyes,
Things I'd never known
Change in my life,
 Change in me.
I've been searching so long
 To find an answer.
Now I know my life has meaning,
Now I see myself as I am,
Feeling very free.
Life is everything,
 It's meant to be.
When my change has gone to memories
I will understand
 What I left behind
 Part of me.
I've been searching so long
 To find an answer
Now I know my life has meaning

The State Champion Flushing Raider Marching Band

Another successful season for the marching band started with a performance on September 13, at the Chesaning Parade of Bands. Following this performance the band marched as feature band at the University of Michigan band day and later that same day, September 27, at Defiance, Ohio. The next performance was on October 4, at Western Michigan University in Kalamazoo. It was a competition and for the second straight year the band took top honors with a score of 92.31. The next day the Flushing Band Boosters hosted the Michigan Marching Band Championship at Atwood Stadium in Flint. Because they were the host band, Flushing could only march in exhibition. The following weekend the band performed twice at the new Pontiac stadium (see the picture on this page). On Friday, October 10, the Raiders scored 91.86 in the Presidents Marching Band Competition to defeat 40 other high school bands all in competition for the "Grand Champion" trophy. On Sunday October 12, the band played as a feature band at the Detroit Lions game. The show was such a success that the band was invited back to Pontiac on December 14 to again do their show. The last competition for the Raiders which followed the afternoon homecoming performance was held at Bridgeport. The Raiders won awards for Best Color Guard, Best Drum Section, Best Drum Majors, Highest General Effect Showmanship, Highest General Effect Music, First place in open flight, and the highest overall with an 83.35. This competition once again showed the superiority of the Raider marching band over all of its competitors. CONGRATULATIONS BAND, AND GOOD LUCK IN THE FUTURE YEARS!!!

A visiting band from Defiance, Ohio does its show at the Flushing Homecoming game.

Wood Pushers

The chess team bounced off of a 6-4 season last year to go winless this year in ten tries. They played their matches against Kearsley, Valley, Powers, Flint Northern, and Flint Southwestern. There were many individuals on the team who scored victories throughout the season. They are: Randy Wallis, Verle Winningham, Bill Bejcek, Ted Himelhoch, and Dan Maloney. When asked about the season Mr. Gandolfi, the coach, stated, "Although we did have some rough nights, I feel we were rooked out of a couple victories. We pawned some of our losses off to bad luck. We've checked out all the angles for next year though and found that with what we have coming back, we won't be at all bored. And I also feel that we will be the Kings."

PICTURED FROM LEFT TO RIGHT - Dan Maloney, Bill Bejcek, Mr. Gandolfi, Joe Cole, Ted Himelhoch. NOT IN PICTURE - Barb Henderson, Shayne Kohn, Jim Schneider, Randy Wallis, Verle Winningham. Coach: Mr. Gandolfi.

Varsity Golf

When the golfers placed third in the Regionals, they were the first Raider Golf Team to go to State since Flushing's been an 'A' school. The four Raidermen who placed eleventh at State include seniors Bryan Rye, Rick Strain, Jere Wade, and junior Chuck Babcock. Doing well in the conference, the Raiders had a season record of 12-2, and were Big Nine Champs. Way to go Raiders!

Tennis — 75

This year's tennis team showed how much they improved by having a season record of eleven wins and three losses, and a conference record of four wins and two losses. While placing third in the Big Nine Conference, the girls placed second in the Regionals, with senior Kathy Torrey being runner-up in singles competition, enabling her to go to the State Championships. With only three seniors graduating, the tennis team will continue to improve next year.

Stairway to Heaven

There's a lady who's sure all that glitters is gold and she's buying a stairway to heaven.
When she gets there she knows if the stores are all closed with a word she can get what she came for.
Ooh, - Ooh, - and she's buying a stairway to heaven.

There's a sign on the wall but she wants to be sure 'cause you know sometimes words have two meanings.
In a tree by the brook there's a songbird who sings, sometimes all of our thoughts are misgiven.

Ooh, - it makes me wonder, -
Ooh, - it makes me wonder, -

There's a feeling I get when I look to the west, and my spirit is crying for leaving. -
In my thoughts I have seen rings of smoke through the trees, and the voices of those who stand looking.

Ooh, - Ooh, - it makes me wonder, -
Ooh, - Ooh, - it makes me wonder, -

And it's whispered that soon if we all call the tune then the piper will lead us to reason -
And a new day will dawn for those who stand long and the forests will echo with laughter. -

If there's a bustle in your hedgerow don't be alarmed now, it's just a spring clean for the May queen -
Yes, there are two paths you can go by but in the long run there's still time to change the road you're on.

And it makes me wonder. -

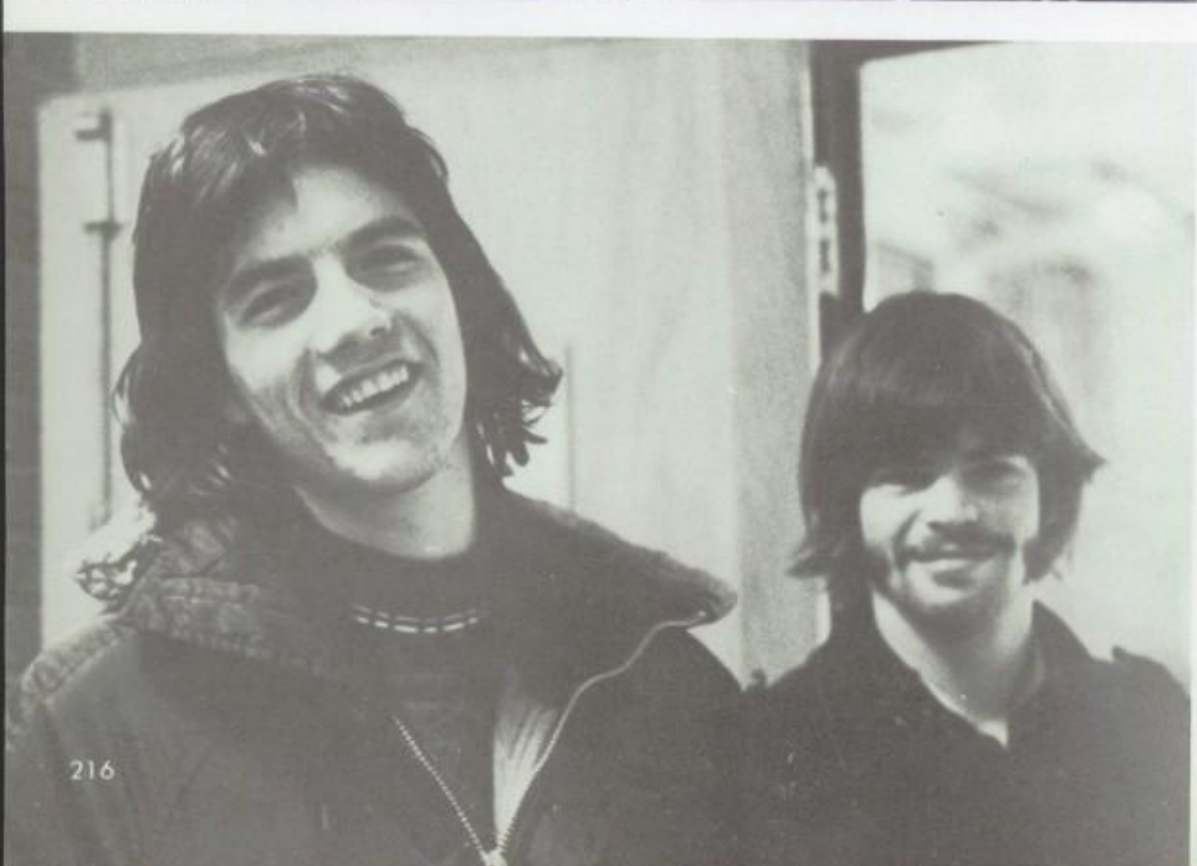

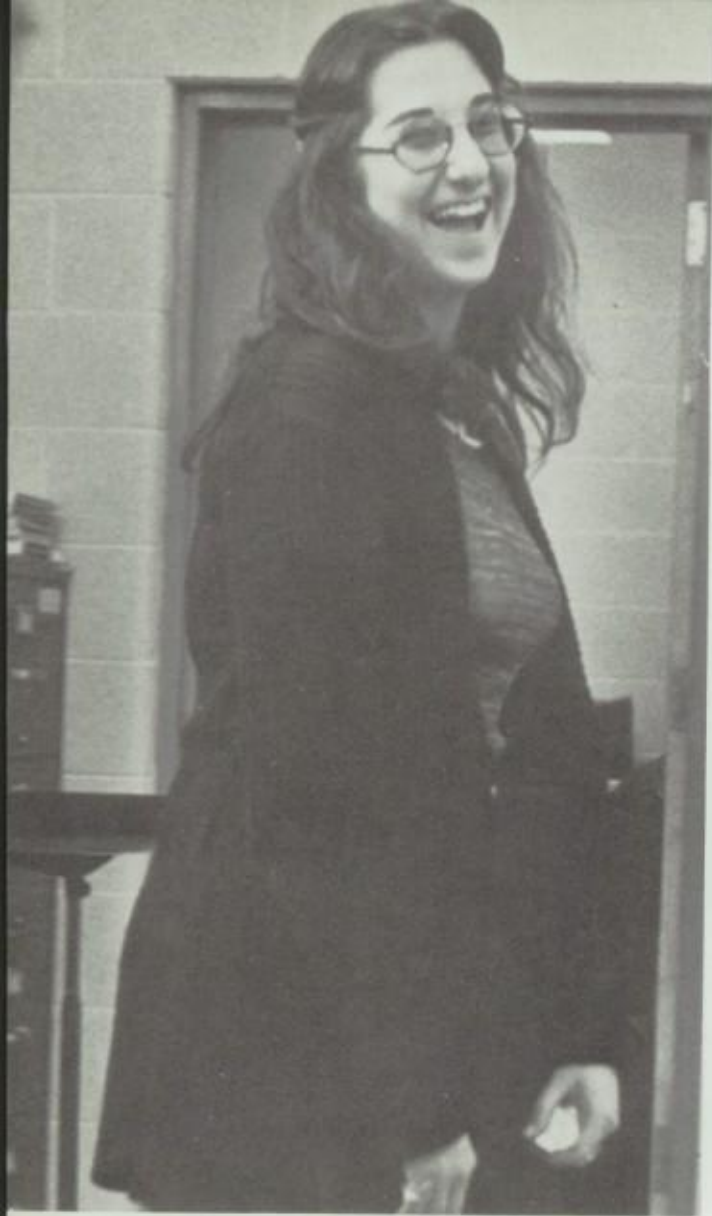

Your head is humming and it won't go in case you don't know, the piper's calling you to join him,
Dear lady, can you hear the wind blow, and did you know your stairway lies on the whispering wind. -

And as we wind on down the road our shadows taller than our soul. -
There walks a lady we all know who shines white light and wants to show how everything still turns to gold. -

And if you listen very hard the tune will come to you at last.
When all are one and one is all to be a rock and not to roll.

And she's buying a stairway to heaven. -

Jimmy Page and Robert Plant
